Director's Information regarding the run of Rally Bohemia Historic Show

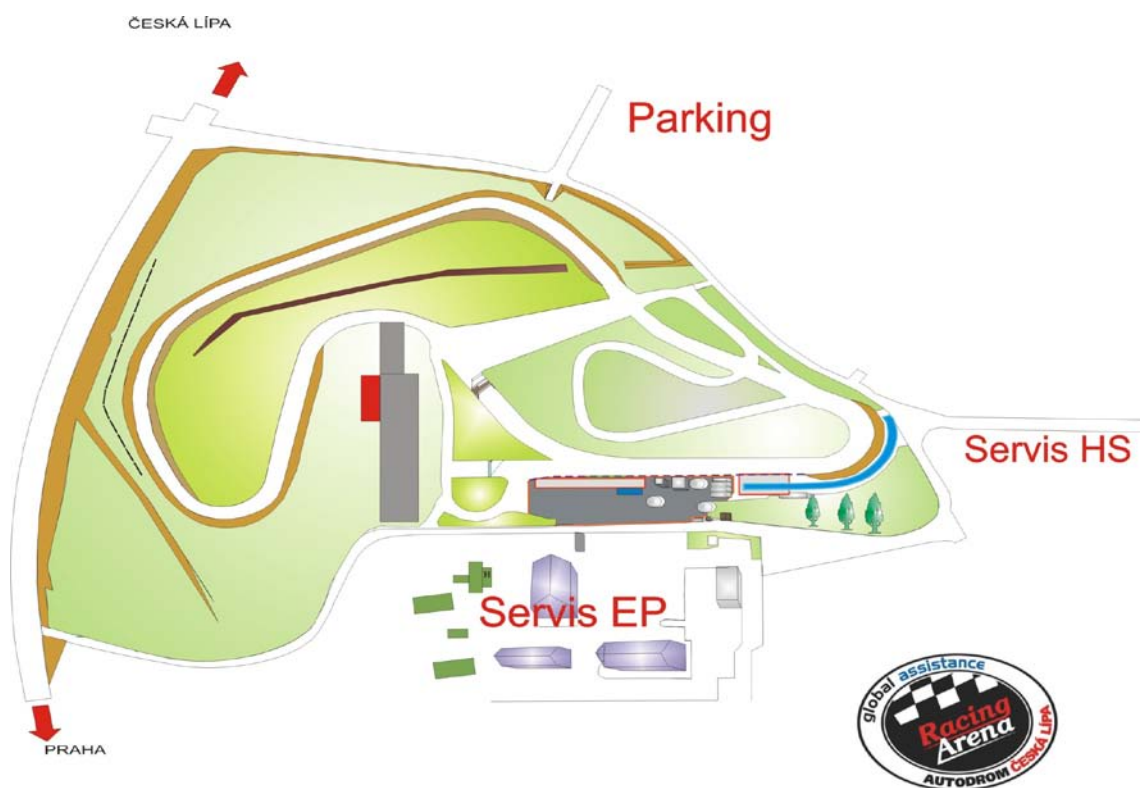

Formal Check

When retiring the itineraries, please fill out the technical card, possible completion of Entry Form information, and Formal Check.

Recce Rides

All cars riding the reconnaissance rides should be marked with specified sticker + sticker "H" with their starting number.

Racing Arena Sosnová

The technical scrutineering of Historic Show cars takes place on Friday 2nd July 2010 at the premises of Racing Arena in Sosnová together with shakedown and super special stage. The area will open in the morning at 6.00. For all attendees of the Historic Show there are communication areas dedicated according to the plan. Only the car marked with the sticker "Service A" + "H" sticker with starting number will be allowed to drive in with transport cart and competition car. All other cars ("Service B" – cars for recce) will be set away on the car park.

Technical Scrutineering

The technical scrutineering will take place in the time 10.30 – 12.00 hours in the area dedicated for HS. During TS the crews will get the **ONI Monitoring Unit**. For its electrical source the crews shall have ready the appropriate electric plug (+ the cable being operated by the ignition box, - pole attached to the car frame). While fitting the unit should be clamped into the car interior and the aerial should be put on the windshield window using sticker. The device will be collected at the finish of the competition. Should the crew not to finish, the device will be returned to the Organizer's Deputy before departure.

Shakedown

The Historic Show crews can attend to shakedown in Sosnová. Shakedown takes place from 9.00 till 14.00 hours on tarmac section of the track. The cars of HS are allowed to participate on testing special stage after the technical scrutineering. There will be no time measure for HS cars. All crews going through the shakedown should wear the safety aids (fireproof overall, helmet). Every passenger in the car during shakedown, who didn't apply to rally, has to sign off the statement relieving the organizer from the responsibility and that he/she participates at his/her own risk only (it's not covered by the organizer).

Super Special Stage – SS 1

The crews should appear at TC 1 before super SS 1 at the time specified – all time details will be announced after the technical scrutineering closure.

Service Zone Mladá Boleslav

There is a service zone dedicated to the HS attendees at the car park at "Na Hůrce" close to the EC Service Zone. The service area opens on Friday 2nd July 2010 at 8.00 hours. The surface is strengthened – concrete panels.

Historic Show finishes on Sunday 4th July 2010 by crossing the finish ramp located near EC Parc Fermé.
