

Rally Bohemia Historic Show 2010 - Basic information:

Rally Bohemia Historic Show is a demonstrational parade of historical competitive cars. Without the time measure they will take chosen special stages of Rally Bohemia. Historical competitive cars or their replicas can take part of it. The vehicle look has to be the same according to its original model and at the same time it has to represent the history of car competition. Those pieces made after the year of 1990 have to be the original racing cars only with the evidence of its racing history. The racing crew will hand in the valid insurance papers – green card (foreign crews must have it with coverage of Czech Republic). The insurance during the race on special stages will be provided by the organizer of this event. For health and security reasons all crews have to be equipped with safety helmets and fireproof overalls.

The centre of the competition is located into Mladá Boleslav. The tracks come from the concept of Friday, Saturday and Sunday competing days. The Historic Show is initiated on Friday by the parallel special stage in Racing Arena in Sosnová.

The number of the starting crews is limited. The organizer reserves the right for its selection.
