Press Release No. 11

Mladá Boleslav, 10th July 2019

As in previous years, this year's Radio Rally Bohemia will also be broadcast on the competition website www.rallybohemia.cz. In addition to other reports, it will bring mainly on-line interviews with leading pilots from the finish areas of individual special stages.

Spectators and fans of Radio Rally Bohemia will be able to get the latest information about the competition, the feedback from the service park, and above all, to listen to interviews with the best competitors from STOP points at the finish of almost all special stages. These immediate impressions and interviews with drivers belong to the most interesting content each year. Interviews with pilots and other news from the competition will be presented by moderators André Ulihrach, Lukáš Strouhal and Vojtěch Brzek, who will be moving throughout the weekend in the transmission vehicle and in the background. The super spectator stage SCALA Gladiator Sosnová will be also broadcast on Friday evening.
